The Countdown Begins.

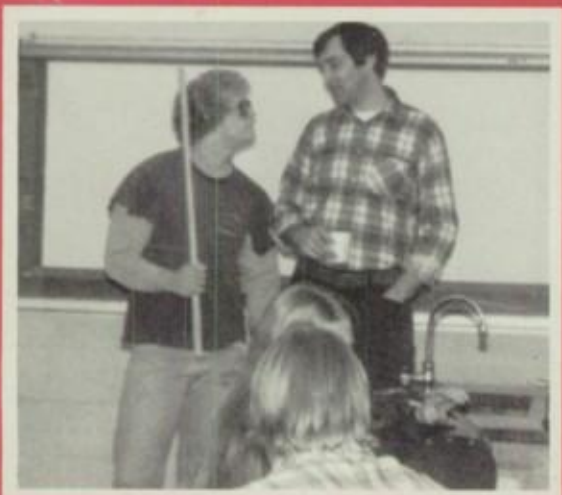

The bell rings. Good morning welcome to another day at Thomasville Senior High School. As first period begins some try to wake up, while others are already dreading the oncoming day. Although the day just began, most of us have already started watching the minutes slowly tick by.

Classes -

some listen and learn . . . some sleep through it all . . . time for some to finish next period's homework . . . lovers to pass notes . . . and P.E. is loads of fun . . . where but at TSHS can you sit in Spanish class and learn French through the wall? develop your talent . . . learn a skill? . . . anyone for Chemistry?

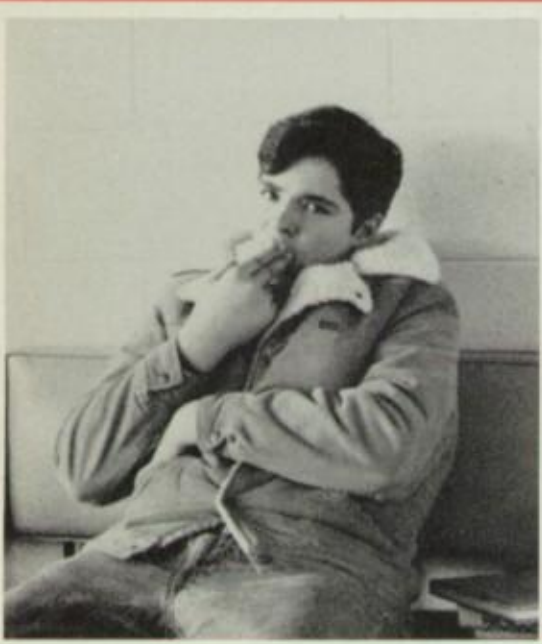

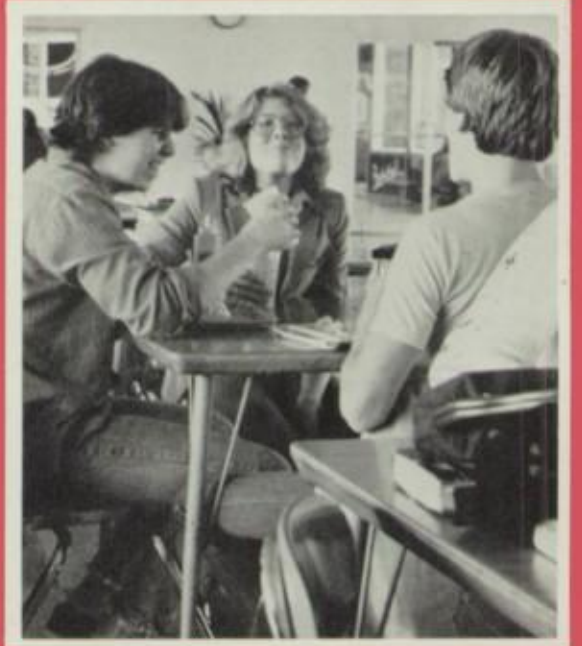

A Necessary Evil

Time Out . . .

lunch bell, finds us jamming the cafeteria waiting in the lines . . . what'll it be regular lunch? hotdog? hamburger? pizza? . . . what a choice!

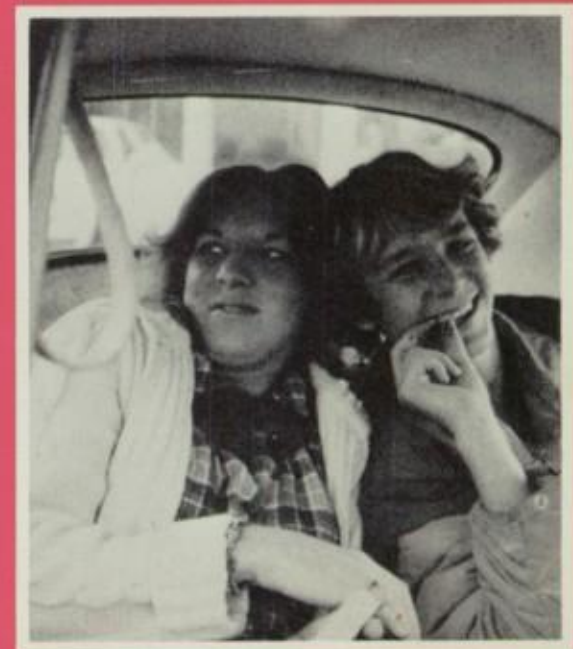

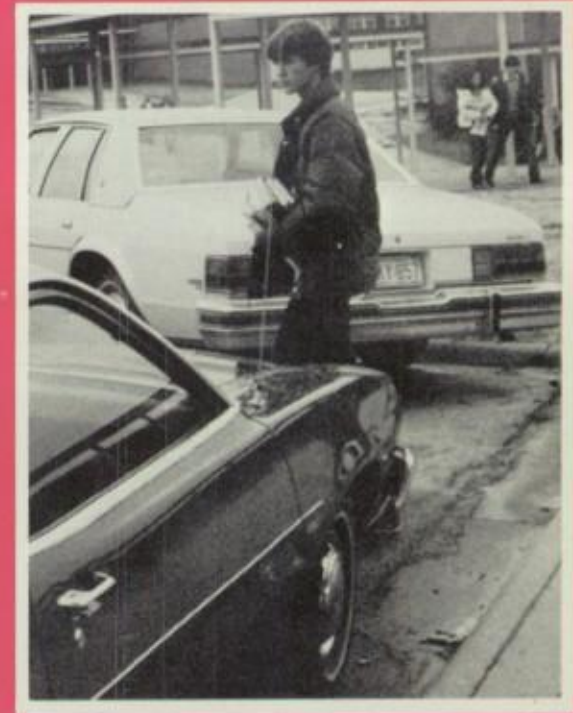

To Refuel

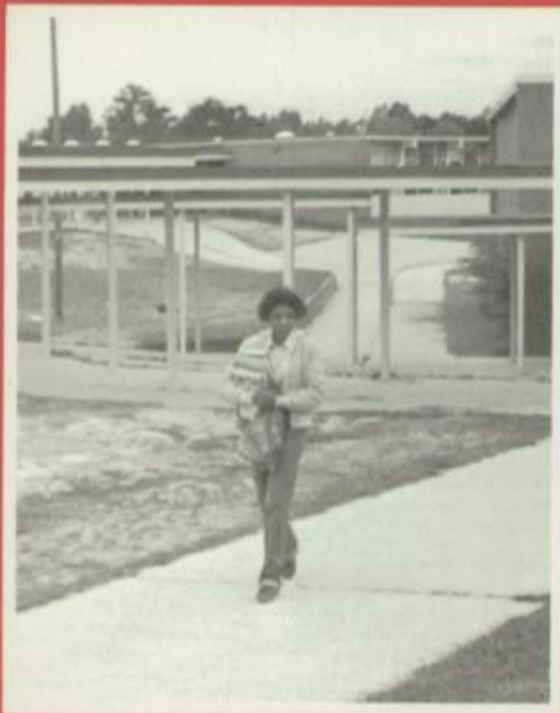

Countdown - 3:05

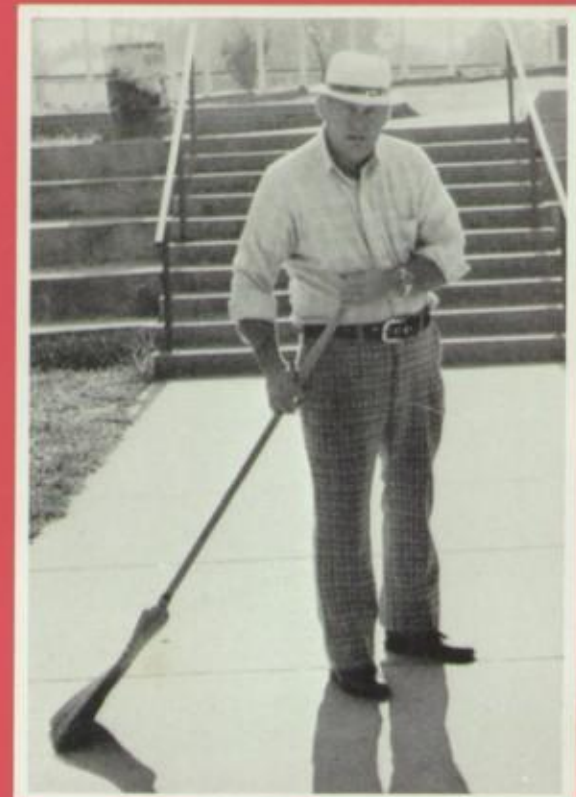

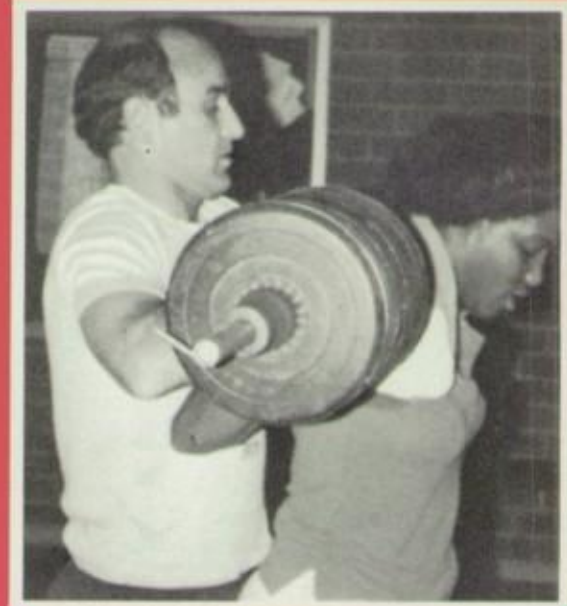

*in the halls it's mass hysteria . . .
a mad dash to our lockers, sprint to
the parking lot, crank up, peel off
. . . where's my ride? . . . forget my
math book . . . where's my bus? for
some T.S.H.S. is gone until tomor-
row for others . . .*

Afterhours . . .

the last bell does not end the school day for many at T.S.H.S. . . . for some its the beginning . . . the bumps and bruises of sports practices may lead to a big money contract . . . perfection is what we seek . . . straighten that line! . . . who hit that sour note? . . . louder girls . . . the last student, teacher, and administrator have left the school . . . all's quite and deserted . . . T.S.H.S. sleeps and awaits the morning . . . when once again the day begins.

Court

A black and white oval portrait of a young woman with dark hair, smiling. The background of the entire page is a repeating pattern of the text "Thomasville Senior High School" in a serif font, oriented horizontally. The portrait itself is a close-up, showing her face and shoulders. She has a friendly expression, with her teeth visible in a smile. Her hair is dark and appears to be pulled back slightly. The lighting is soft, highlighting her features. The oval frame of the photo is dark, creating a contrast with the lighter background of the page.

PLAY

The Class of 1982, now Juniors, had a successful magazine sale which paid for an unforgettable Junior-Senior Prom. Another highlight was receiving our class rings, the mark of a real Junior. Now we have only one more year and feel a little sad, but anxious for it to arrive.

As Sophomores we have had to experience a great leap from Junior to Senior High. It was hard to adjust at first, but we have learned more each day. As the year went by, we have grown more and established a good reputation for ourselves.

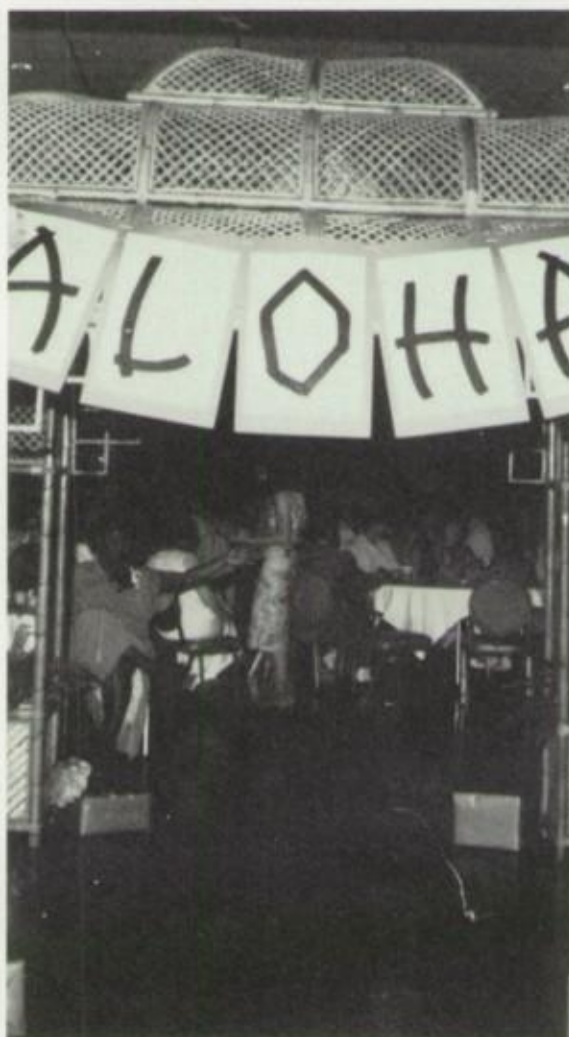

As far as joining in activities around the school, there was a variety to choose from and by taking part in those activities, it has helped us a great deal for the future years.

Catch That Bulldog Spirit

Ms Deanna D. Geter

The 1980-81 Varsity Cheerleaders brought in some new spirit into TSHS. Spirit was much needed in our school and we are proud of the fact that these young ladies were able to restore "Bulldog Fever". Our cheerleaders picked up some of their spirit while at Duke University last summer.

Although the Big Red Machine didn't win the conference championship this year there were many exciting moments as they posted a tremendous record. The team had a 8-2 overall record and a 7-1 conference record.

The first loss came to defending state 4-A champions High Point Central. The mighty dogs bounced off that game and started rolling. In the middle of the season they lost a heartbreaker to Lexington 23-18. Lexington went on to be runner up to the 3-A champions.

The dogs had a very successful season thanks to the leadership of the top-notch coaches like Allen Brown and his assistants. The coaches and players spent many hard hours on the practice field and the classroom. With all their hard work it is certain that they built a solid foundation for the 1981 season.

Lady Spikers NPC Champions

Front Row - G. Robertson, S. McCurdy, M. Mathis, D. Worthy, C. Hurst Back Row - Coach Styers, S. Nichols, P. Manning, P. Whitaker, J. Gandy

The 1980-81 Girl's volleyball team, the NPC Champions, had a very outstanding season this year. Our girls compiled an impressive record of 20-0. Also, this was the first year that Thomasville sent a team to the playoffs. The team made it through to the third round of play — quite an accomplishment.

The team owes much to Coach Styers who displayed great amounts

of patience and dedication. For his effort, Coach Styers was named Coach of the Year.

Sandra Nichols was honored as Player of the Year and All-Conference. Other All-Conference members consist of Sherry McCurdy, Christine Hurst, Jackie Gandy and Pam Manning. Te-Te Worthy and Patricia Whitaker had an outstanding senior year.

Coach Geter

It's all in the wrist!

The girls' tennis team showed great improvement this past year. The team was lead by senior, Martha Ritchie and senior, Jamie Cornwell and sophomore, Susan Thomason in doubled play. The team should have an even more promising year next with the return of all players except the two seniors.

The Cross Country team is one of the teams at TSHS that receives little or no attention, but the members work just as hard at practice as the football or basketball teams. These dedicated guys run 4 miles or more every day! The team had a successful year lead by Keri McKenzie and Chris Grubb and are supervised by Coach Allred.

I thought I'd never catch that girl!

A true entanglement!

The 1980-81 Varsity Boys Wrestling Team proved their expectancies correct. Their first accomplishments was taking first place in the Lexington Invitational Tournament and the Southern Guilford Indian Classic. The wrestlers were also the runners-up in the Trinity Invitational Tournament and the Ragsdale Indian Classic.

Our wrestlers eased through the NPC undefeated with an 8-0 record and a 12-0 overall record. The conference title was on the line as they were tied for first place with the defending champions, Trinity. With Thomasville's support, the Bulldogs pulled the match away with a slim 34-27 margin.

All-NPC Tommy Bayse 138 wt. class.

As several of the wrestlers advanced as a team, they placed third in the sectionals and fifth in the regionals. The All-NPC selections from Thomasville were Seniors Eugene Ivery (27-5), Tim Ruff (24-7-1), Tommy Bayse (26-7-1), Eric Wilson (24-11), and juniors Lyndon Johnson (24-4), Ronald McRae (28-3), and Greg Gallimore (25-7). This was a great accomplishment and we're proud of all of our Bulldog Grapplers.

ANOTHER NORTH PIEDMONT CONFERENCE CROWN

The Varsity Girls Basketball Team proved the pre-season predictions wrong in that height is not a factor. The lady Bulldogs finished the NPC regular season with a 15-1 record taking the title whereas they were predicted to finish fourth or fifth. With great team rebounding, fullcourt pressure defense, and the man-to-man defense, the girls were able to pull away with numerous wins.

After losing all their tournaments last year, determination and enthusiasm enabled them to win. Their credits of wins include the Davidson County Christmas Tournament, the NPC regular season, the NPC Tournament, and the District 5 Tournament. Thomasville had Sandra Nichols, Sherry

McCurdy, and Jackie Gandy to place on all-tournament team in the DCCT with Nichols taking the MPV honor. Debra Worthy, Gandy, and Nichols paced the All-NPC selection with the omission of leading scorer McCurdy. McCurdy went to take MVP in the NPC Tournament. The Bulldogs went on to win the District 5 Tournament leading them to the Regionals in Hickory.

Team effort was stretched throughout the season. The five starters were fully responsible for all of their wins, but with a bench of good depth there was a feeling of knowing they had won together as a team. Good attitudes and no jealousies attributed to that togetherness. From the Seniors of 1981, "Good luck next year in 82".

The Varsity Boys' Basketball team had an up-and-down season this year. Even though their record was 14-12, it doesn't nearly reveal how well the boys played at times. Many times the games were plagued by bad calls and had to be fought to the very end. Although many games didn't end in favor of Thomasville, we were still proud of our Bulldog team. The team is losing only one senior, Frank Gladney, so next year's season will surely show improvement.

Golf Team Shows Improvement

Ken swings into action!

The 1980-81 Golf team under the direction of Coach Suggs showed great improvement this year. Senior Randy Lambeth showed great leadership while Sophomore Ken Dennis proved to be a dominating force. With all the Varsity members returning except Lambeth, next year's team should have a promising year.

That's right, put it right there!

Softball Swings For Success

Coach Williamson

"O.K. Ball! What are you waiting for?"

Coach Williamson, in his second year of coaching sees a championship team. The softball team is composed of some of the school's most talented athletes. Coach Williamson looks forward to developing a tradition of winning seasons at TSHS. Softball does not have the popularity as volleyball or basketball, but in the years to come it should make the headlines along with the other Varisty Sports.

"Is this a softball or shotput?"

Sherry's shortstopping it.

Williamson gets an "eyeball" full of softball

"This glove serves no purpose for me."

Lady Runners Striding . . .

Sandra Sprints to the Finish Line.

Coach Stan Styers

Sparked by a strong nucleus of returning lettermen, the girls' track team hopes to continue the improvement shown by the 1980 squad. The 1981 team has many of the athletes who led the Bulldogs to a second place finish in the 1980 North Piedmont Conference Meet. Last year we saw two athletes — Sandra Nichols and Jacqueline Gandy — advanced to the State meet, with Gandy becoming the state champion in the discus. These two girls, along with 22 of their teammates were back for a run at the championship. Track and field provide an opportunity for girls of varied skills and abilities to participate in a sport which offers sixteen different events. Not only do the girls learn skills and technique, but they also enjoy the satisfaction of being extremely physically fit. This year's team participated in several invitational meets in the Southeast as well as the regular North Piedmont schedule.

Coach Brown takes a break.

Streaking For Success

Check out that 90 angle . . . that's form.

Three blind "dogs", see how they run.

The 1981 Cindermen return to action as the 1980 N.P.C. Champions planning to retain the title. The competition is tough, but being a "Bulldog" lets everyone know you're rough. Under the leadership of Head Coach Ward and Coach Brown, the boy's track team should sport a winning record. There are individual stars on the team, but to TSHS each of our track members are the best.

Just making it look good.

Tennis Team Swings Into Action

Bryan steps into action.

Clark keeps his eye on the ball.

The 1980-81 boy's tennis team entered the season with great enthusiasm. Coach Phil Kanoy had confidence in his returning players who showed tremendous improvement over the year. He also had great expectations from the new members. Team work and plenty of effort was the name of the game for these determined young men who gave it everything they had.

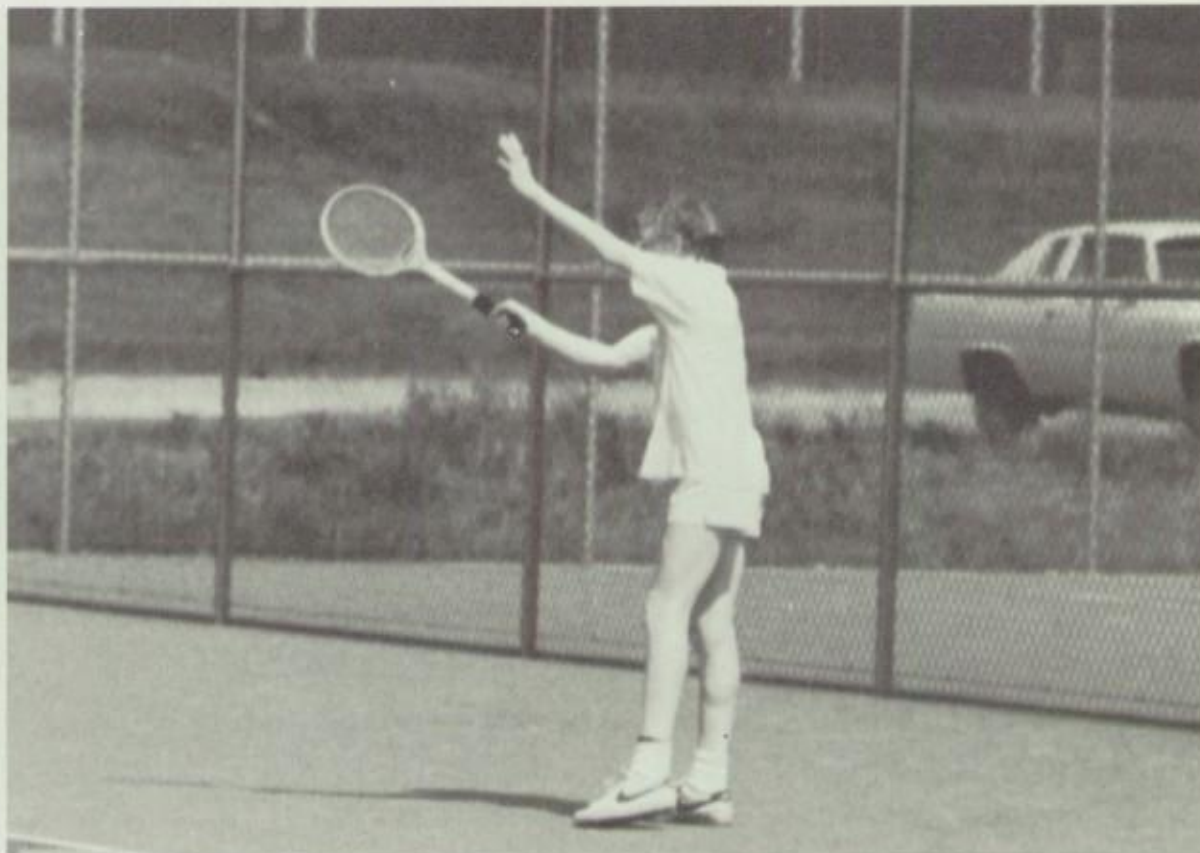

Mike makes a long return

Varsity Baseball

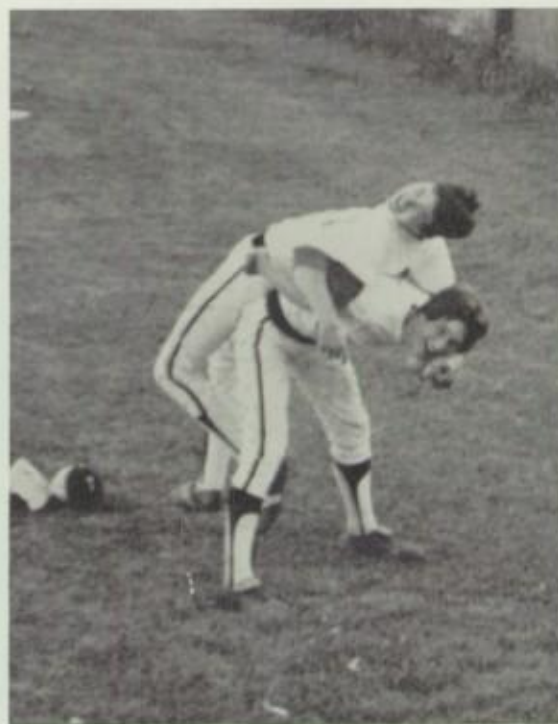

The Varsity Baseball team had a very successful year. They are working hard to build a reputation as a strong team in the N.P.C. Coach "Dub" Potts is trying to combine the talents of speed, power and pitching to win a conference championship. With the arrival of new players Coach Potts is looking toward yet another good season.

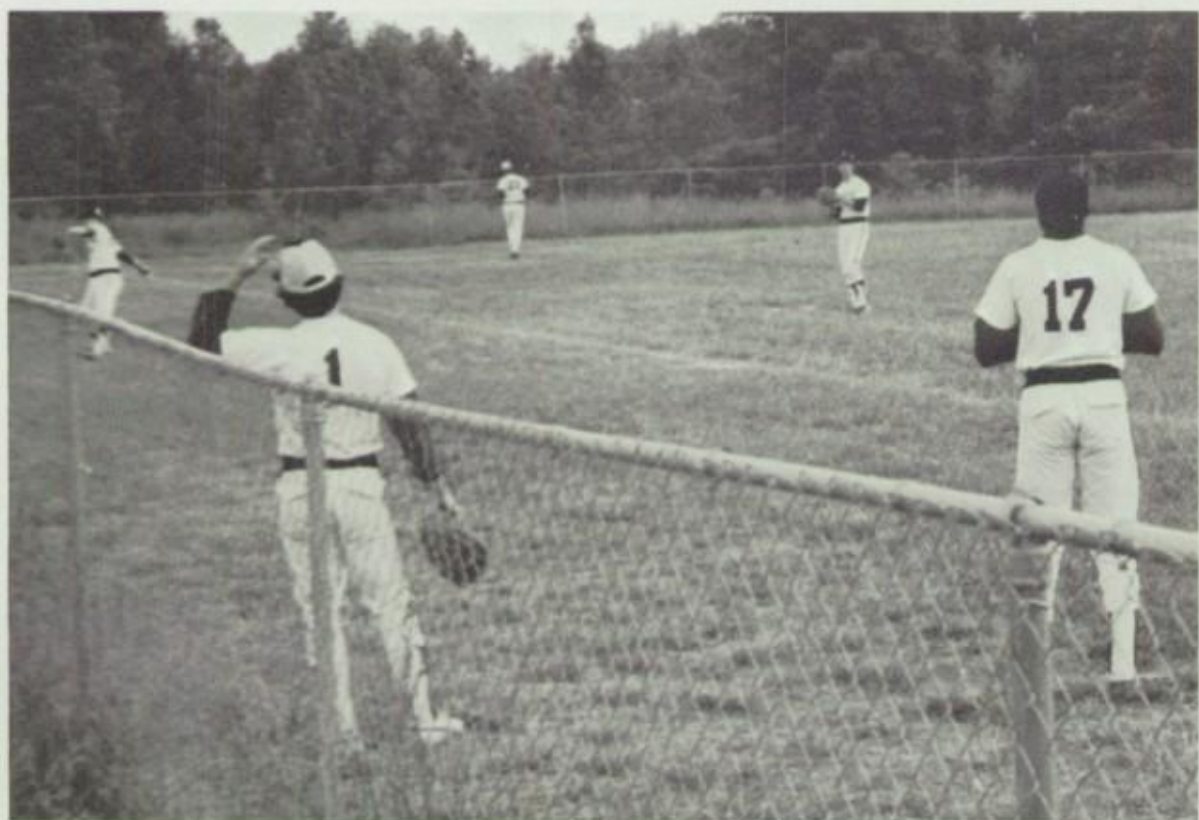

Strike Three!

Now it's our turn.

This years Junior Varsity squad is composed of some very creative and flexible sophomores. These young ladies have brought about a tremendous amount of spirit among the class of 1983. Along with the Varsity cheerleaders, they attended cheerleading camp at Duke University last summer.

O.K. Listen up! Chief Parks is talking.

A wild and crazy stunt.

Show Great Spirit!

JV Huns

This year the JV team got off to a slow start. As the season continued, however, the playing and the scores improved. They finished out the season with a 4-3-1 record. Coach Brown is confident in these young men and believes they will be a great asset to the varsity team in the years to come.

J.V. BOYS TAKE THE TITLE

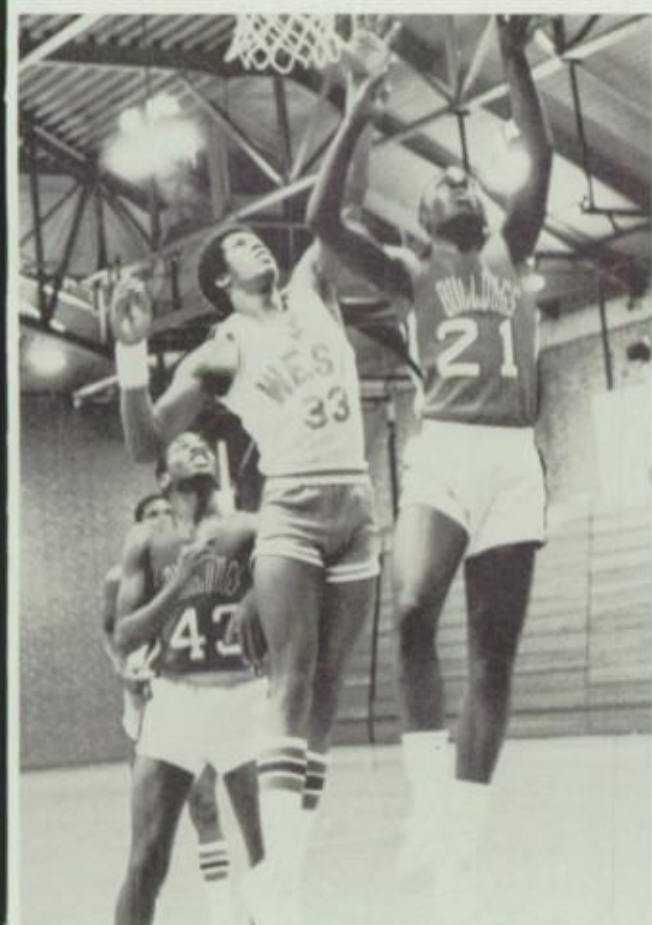

The J.V. boys basketball team showed true Bulldog pride as they landed the North Piedmont Conference Championship. The boys got off to a slow start, but came back after Christmas with big victories. Coach Donnie Holt was proud of his young men as they won big victories over some tough teams. These young men showed great potential for next year on the varsity squad.

This year Thomasville had the honor to host the Central District of North Carolina Association of Student Council Convention on April 4 and 5.

Thanks to all the students, faculty, members 1980-1981 has become a very unforgettable year.

Being in the National Honor Society signifies a high level of achievement by its members. Each one must possess the three standards of NHS character; scholarship, leadership, and service. To be inducted into the club, each nominee must be approved by all the teachers at TSHS.

The National Honor Society is mainly a service club for the community. Various projects included participating in the annual Cleanup Day sponsored by the Jaycees. The members spent half a day cleaning up Main Street prior to the Furniture Market in October.

In December, Senior Inductees were inducted into the club. This was a formal service with Dr. W. S. Farabow as the guest speaker. These new Inductees were; Cathy Carter, Gay Simmons, Barbara Martin, Lori O'Kelly, Kerry McKenzie, and Lori Hunsucker.

National Forensic League

MRS. EMILY SHAVER - NFL COACH

The purpose of National Forensic League is to provide experience in public speaking to all of it's members. The NFL club constantly travels to neighboring schools where they participate in different types of speech events. Among these are novice and varsity debate, dramatic interpretation, extemporaneous speaking, and original oratory.

The TSHS Speech and Debate Team wins an average of two trophies per tournament. These trophies are awarded only to the best speaker in each event, so Thomasville's NFL is obviously one of the most successful in the North Carolina area.

THE 1980-1981 GROWLER STAFF

THE GROWLER STAFF: J. Cornwell, D. Worthy, R. Williams, R. Taylor, W. Black, T. Black, T. Parris, K. Cato, M. Junious, J. Osborne, R. Lambeth, B. Mendenhall, K. Thompson, S. Bridger, D. Parks, L. Hunsucker, C. Green, G. Freeman.

The labors of the Growler staff bring joy to the students of TSHS. Everyone anxiously awaits that day when the GROWLER arrives.

Editors, Jamie Cornwell and Debra Worthy, encourage the staff to produce a bigger, better yearbook. The staff raises money for the

publication of the yearbook by selling advertisements to local businesses. This proves to be hard work but good experience in the business world.

From the first organizational meeting until the GROWLER goes to press, the members keep up a

driving pace motivated by a strong will to create a great yearbook. One that will capture an accurate memorable picture of the past year at TSHS. The staff hopes the GROWLER will paint a memory for the students at TSHS, one that will last for the many years ahead.

LIBRARY

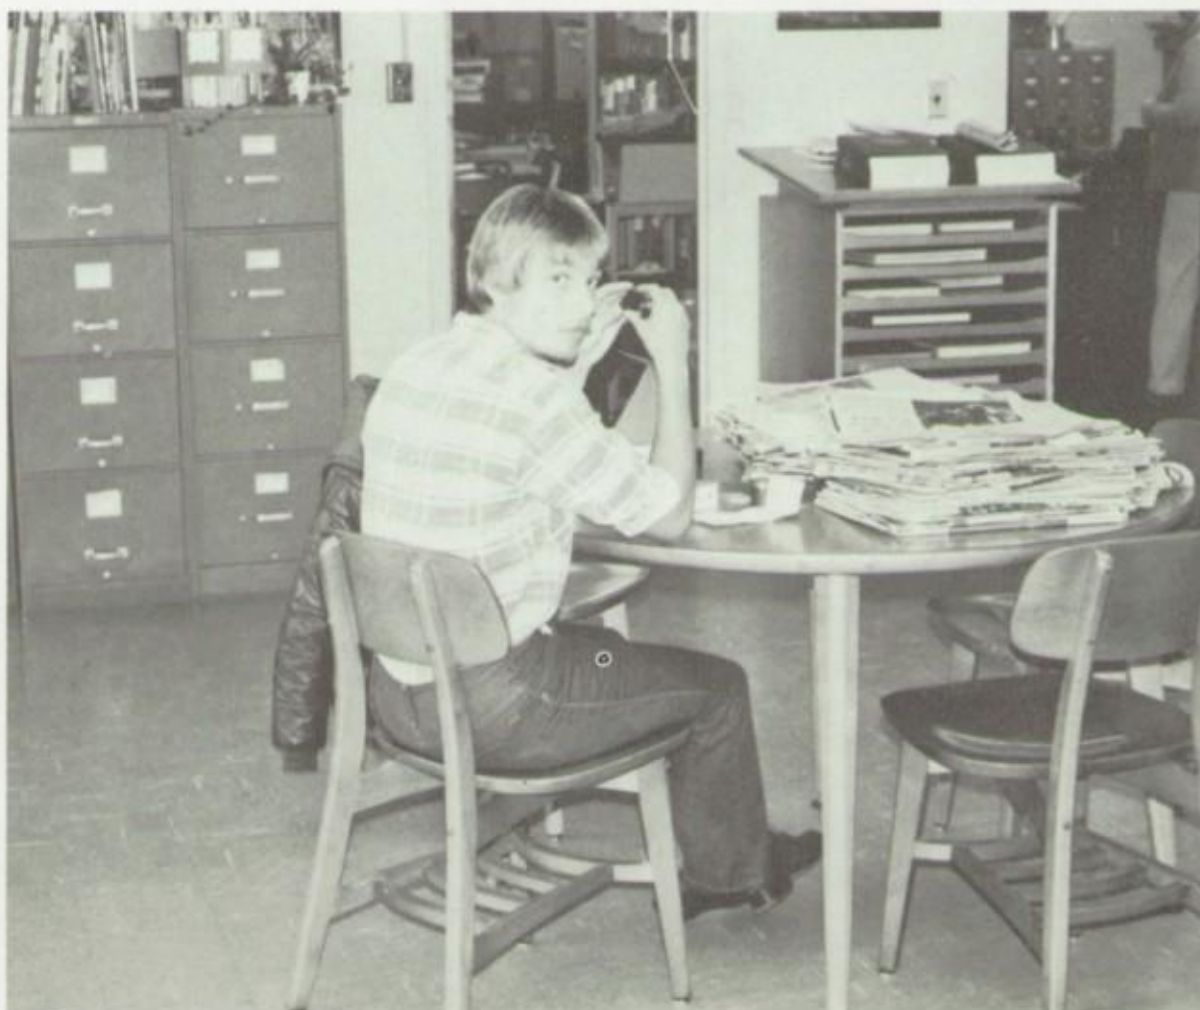

Mrs. Hughes

Mrs. Donoghue

The Thomasville Senior High Library supplies all types of instructional materials and equipment for all students and teachers. The library is used throughout the day for independent work and group activities. Young people use the magazine indexes to find up-to-the-minute articles on questions of the day, and use the material for class discussion. They use the card catalog, encyclopedias, pamphlet files, and other reference tools to assemble facts on subjects they are studying or on projects they are working out. The most important part of the library program is the work with the students and teachers, and makes the library an educational force in the school.

IN MY LIFE

*There are places I remember all my life.
Though some have changed,
Some have gone and some remain.*

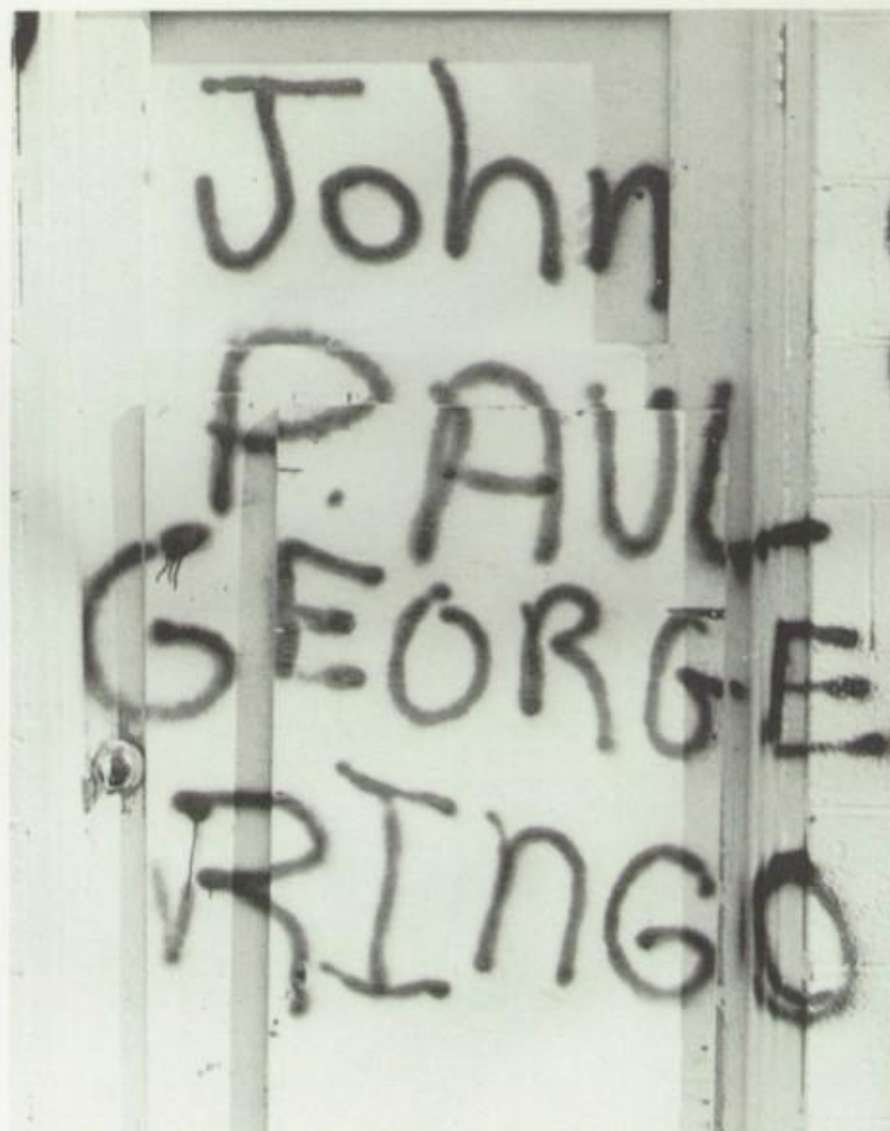

*All these places had their moments
With lovers and friends I still can recall.
Some are dead and some are living.
In my life I've loved them all.*

*But of all these friends and lovers,
There is no one compares with you,
And these mem'ries lose their meaning
When I think of love as something new.*

*Though I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them,
In my life I'll love you more.*

*Though I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them,
In my life I'll love you more.
In my life I'll love you more.*

"SIR THOMAS" COMES ALIVE

S. Mathis, P. Hege, B. Saintsing, D. Sechrist, H. Ware, K. Cato, L. Hiatt, R. Ballard, T. Downs, A. DeLappe.

What is that? What could have made those huge tracks leading into Thomasville Senior High School? The answer — TSHS mascot Sir Thomas.

The 1981 seniors of TSHS are leaving their mark at the high school. Repainting the paw prints which lead from Unity Street down "Bulldog Drive" was elected as the senior class project this year.

The prints were first painted in 1978 and had since become weather beaten and all but faded away. This year the prints were made larger and brighter so everyone would know they were in "Bulldog Territory."

Senior class president Ashley DeLappe, headed the project and together with other hard working seniors the project was a success. It took almost five hours to complete the project of refurbishing the thirty-three red prints outlined in white but the time was certainly well spent.

The Seniors would like to extend their appreciation to the following people for their assistance in completing the project. The Thomasville Police Department for allowing us to paint on Unity Street, Mr. Allgood and the School Board for supplying the paint for the project, and Mrs. Nancy DeLappe, for her ideas and assistance.

TSHS and Sir Thomas would like to thank these seniors for restoring the paw prints. Because of their diligent efforts the class of '81 will certainly be remembered as a high spirited and hard working class.

Me Paint? Ha!

AS STUDENTS GET INVOLVED

You may have noticed something different at TSHS this year. That's right, there's something living in the old church facing Mendenhall Street.

For years the old church, used as a storage building by TSHS, had stood defaced by Vandalism. This year Interclub Council decided to help beautify the school by restoring the old building.

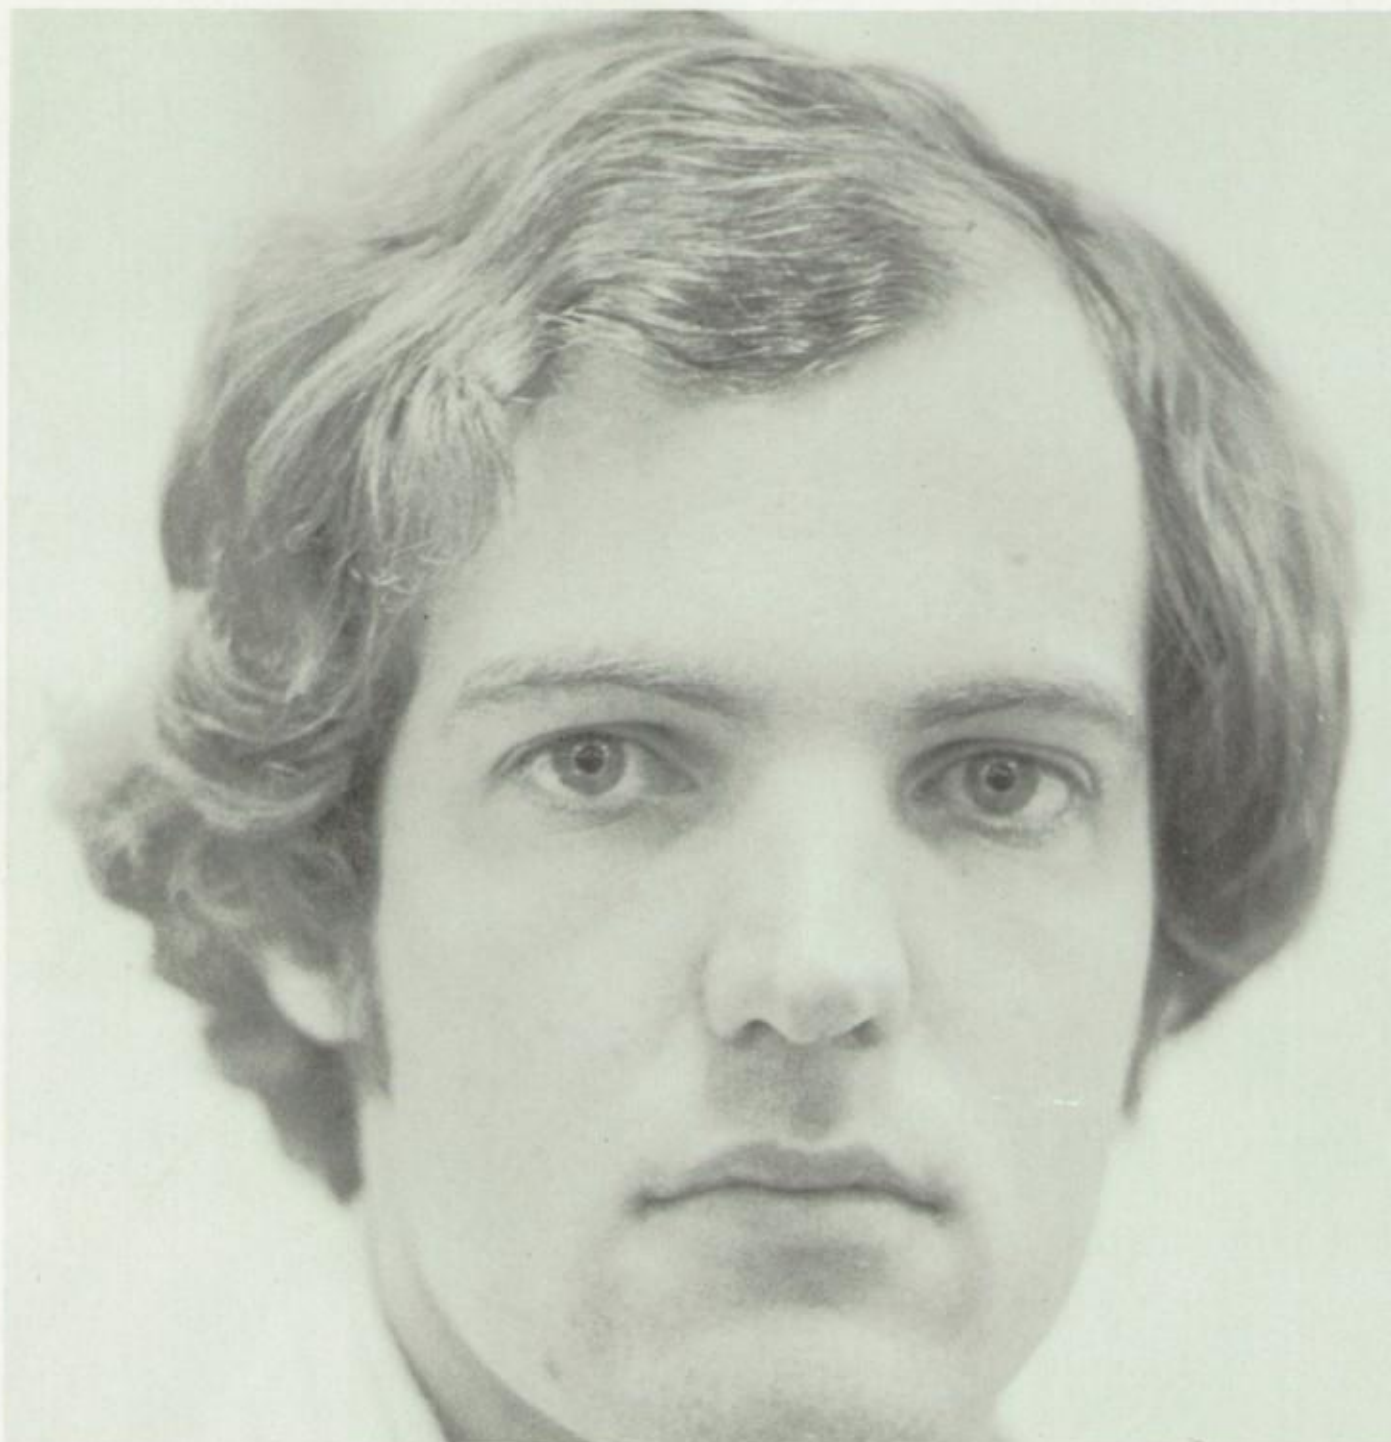

It was a large task but hard working members of various clubs at TSHS combined their talents and efforts to turn the old building into a home for our mythical mascot, "Sir Thomas." Thank you Interclub for beautifying our school and providing a mascot TSHS can be proud of.

The Growler Staff would like to thank Deidra Sechrist, Byron Saintsing, and THE TIMES who took their time to record these memories on film.

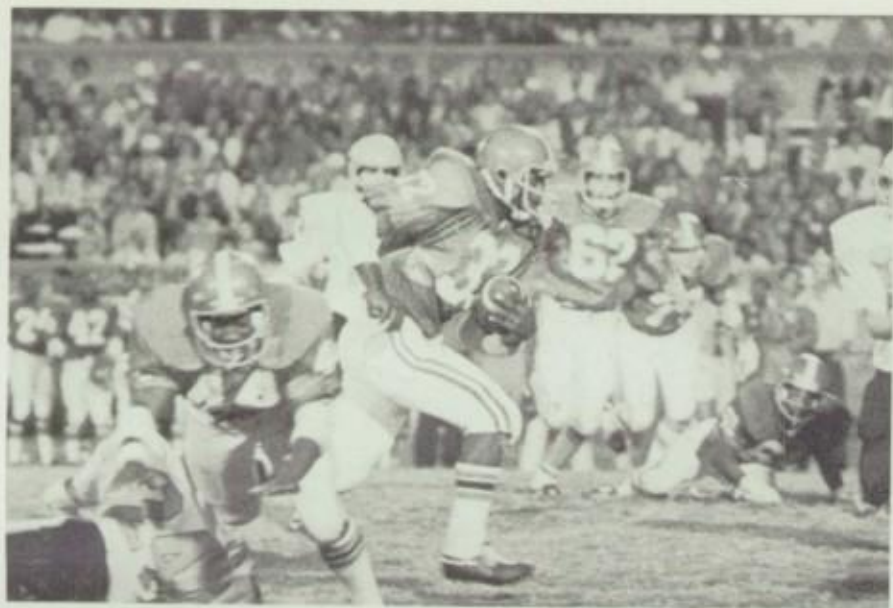

Old building reaches new heights.

TSHS SPORTS IN THE NEWS

Andy English, Thomasville Times Sports Editor

In the last couple of years there has been a great deal of support from the people of Thomasville and other surrounding areas. The reason for this is great articles that encourage the people to come out and see what they're missing. This support should be attributed to the information the public receives through THE TIMES sports articles. Andy English is the man responsible for getting the news out to us. He takes a personal interest in Thomasville athletics. His enthusiasm and his ability to work hard has made him an excellent sportswriter. If you know Andy, then you know there is nothing bad that could be said of him. All you hear is his good qualities; personality, his caring, and his willingness to help when in need. Many thanks go out to you Andy for your fine writings from all of us at TSHS.

With the help of various hard-working people, the publication of our 1981 GROWLER could not have been accomplished. Much appreciation goes to the following contributors who made our job a great deal easier:

Mr. Allgood for his cooperation in meeting the needs of the staff.

Mrs. Osborne, faculty and student body for their ideas and assistance.

THE TIMES office for contributing needed pictures.

Andy English for his cooperation with our sports editors.

Scott Murr for spring sports pictures.

Dr. and Mrs. David Williams for the use of their property for Senior Class pictures.

Rex Truell for developing pictures when we needed them quickly.

Mrs. Joanne Cameron for guiding the GROWLER staff in the right direction.

Mr. Wayne Wolfe who personally aided the staff in preparing our yearbook.

Herb Eaton Inc. who assisted in publishing the GROWLER.

Much credit is to be given to the 1981 GROWLER staff who put in many hours of work and creative ideas to make our school annual a success.
